CHOOSE TO SEE  
WEEK 1 // DANNY ANDERSON

Disrupt: To destroy the normal continuance of something

There is a 100% chance your life will be \_\_\_\_\_.

What do we do when our lives are disrupted?

Joseph chose to \_\_\_\_\_ in the disruption.

The **Lord was with** Joseph, and he became a successful man, and he was in the house of his Egyptian master. *Genesis 39:2*

When his master saw that the **Lord was with him** and that the Lord gave him success in everything he did, Joseph found favor in his eyes and became his attendant. Potiphar put him **in charge** of his household, and he entrusted to his care everything he owned... the Lord blessed the household of the Egyptian because of Joseph. *Genesis 39:3-5*

There is a 100% chance your life will be disrupted \_\_\_\_\_.

Joseph was a very handsome and well-built young man, and Potiphar's wife soon began to look at him lustfully. "Come and sleep with me," she demanded. *Genesis 39:6-7*

So he took Joseph and threw him into the prison where the king's prisoners were held, and there he remained. *Genesis 39:20*

But the **Lord was with Joseph** in the prison and showed him his faithful love. And the Lord made Joseph a favorite with the prison warden. Before long, the warden put Joseph **in charge** of all the other prisoners and over everything that happened in the prison. The warden had no more worries, because Joseph took care of everything. The **Lord was with him** and caused everything he did to succeed. *Genesis 39:21-23*

The rest of the story...

"You intended to **harm** me, but God intended it all for **good**. He brought me to this position so I could save the lives of many people."  
*Genesis 50:20*

1. When you see God in the disruption, there is always \_\_\_\_\_.

Why are you cast down, O my soul, and why are you in turmoil within me? **Hope in God**; for I shall again praise him, my salvation. *Psalms 42:5*

2. When you see God in the disruption, you can \_\_\_\_\_.

"You can't stop the waves, but you can learn to surf." — Jon Kabat-Zinn

In the end it's your \_\_\_\_\_.

What choice will you make?
