

STUFF AIN'T ENOUGH
PASTOR DARREN YOUNGSTROM

There is always **more** that we are looking for.

“Hey world, that glamorous lifestyle you see portrayed by famous people on Instagram... don't be fooled thinking their life is better than yours. I can promise you it's not!” – Justin Bieber

Because you **have** a lot, you can't **have** it bad.

Having does not **satisfy**.

Stuff ain't enough.

Our contentment is tied to what we have.

We believe that the answer to our discontent in life is found in having something that we don't yet have.

Have is **never** satisfied.

I rejoiced greatly in the Lord that at last you renewed your concern for me. Indeed, you were concerned, but you had no opportunity to show it. I am not saying this because I am in need, for I have learned to be **content whatever the circumstances**. I know what it is to be in need, and I know what it is to **have** plenty. I have **learned** the **secret** of being **content** in **any** and **every** situation, whether well fed or hungry, whether living in plenty or in want. I can **do** all things through him who gives me strength. *Philippians 4:10-13*

Be more concerned with **his leading** than our having.

Have just won't do.

Do the do.
