

# WHO'S COUNTING?

STATE OF YOUR FLOCKS | WEEK 3  
PASTOR DANNY ANDERSON

Counting is a good thing when we are tracking the progress **God** designed us to make.

Good money management requires \_\_\_\_\_.

**Discipline:** The ability to do what needs to be done, when it needs to be done, regardless of how you feel.

Poor money management creates \_\_\_\_\_.

Poor money management causes \_\_\_\_\_.

1. Count dollars \_\_\_\_\_ and dollars \_\_\_\_\_.

**Know** the **state** of your **flocks**, and put your heart into caring for your herds, for riches don't last forever, and the crown might not be passed to the next generation. *Proverbs 27:23-24*
